

e-blast 5/5/20 Updated Applications

Updated Forms:

The Purchase Application and Lease Application have been revised, effective April, 2020. These forms are available at www.sentrymgmt.com and our own website www.cypressstrand.com.

Please do not use previous copies of the Purchase or Lease Applications as we will return your application as incomplete which will slow your Board approval process. The Board will no longer accept any older forms.

Please be aware that:

- If you have pets, you must complete a pet form for both purchase and lease applications.
- Leasing renewals must be completed annually.
- On leasing applications and renewals, please indicate from date and to date. Open-ended leases are not acceptable, i.e., month-month, 12 months, yearly, 2 years, et cetera.
